Office of the Special Duty Officer for examination of Military Leases of lands, Bangalore, Dated 26th December, 1950..

To

The Deputy Commissioner,
Bangalore District,
B A N G A L O R E.

SIR,

Consequent on the abolition of the Posts of the District Development Officers from the 15th instant, I have been posted as Special Duty Officer for examining the titles to and interests in immovable properties granted or leased by the military authorities for Civilian purposes in Civil Station area prior to retrocession under Government's Notification No. 11045-272-50-2 dated 3rd November, 1950 and in obedience to the same, I assumed charge of my new office on the 15th instant.

Several immovable properties have been leased by the military authorities prior to retrocession for civilian purposes and the connected records in respect of each of the properties will have to be examined in detail and I shall also have to inspect the several Properties for purposes of identification and also with a view to finding out whether there has been any enc roachment by the lessees on adjoining Government lands before a final report is submitted by me to Government for final Orders. These immovable properties are all situated mostly in the Civil Station area and perhaps within the limits of the corporation which will not enable me to claim travelling allowance in respect of the trips made by me.

Though the post to which I am now posted happens to be a stationary one, it entails touring work within the corporation area every now and then and I am therefore obliged to continue to keep my Car.

Subtd. for kind orders re. recommending allowance to be sanctioned by Govt. for this Spl. Officer

Rec'd 26/12

I, therefore, request you to be so good as kindly to recommend to Government for the sanction of Conveyance allowance of Rs. 75/- per mensem to me in the circumstances explained above, from 15th November, 1950 on which date I assumed charge.

In this connection, it may not be out of place, if I were to mention that there has been cases of stationary Officers getting a conveyance allowance whose work entail similar touring work within the corporation limits, as for instance, the Rationing Officer, Bangalore who is given a consolidated allowance of Rs. 125/- P.M. (Conveyance allowance Rs. 75 + D.A. Rs. 50/-) in view of the fact that he has to move about in the city in connection with the inspection of Depots etc., etc.

Sir,

Subject:- Grant of Conveyance Allowance to the Special Duty Officer for examination of Military Leases -

Regarding the out of pocket expenses incurred by the Special Duty Officer, - - it is stated that the expenses of Petrol and Oil, including the wear and tear of the Car, would come to Rs.60/- to Rs.80/- per

BANGALORE.

SIR,

SUBJECT:--Grant of conveyance allowance to the Special Duty Officer for examination of Military leases.

* * *

With reference to Chief Secretary's letter No.16715 C.B. dated 15-2-51, addressed to the Revenue Commissioner calling for certain particulars respecting the above, I write to state as follows.

As I already stated in my representation No.S.O. 16 C 16/50-51 dated 26th December 1950, the several immovable properties leased or granted by the Military authorities for Civilian purposes are all situated in the Civil Station area, and I cannot draw any travelling allowance in respect of the journeys made by me as they are all situated within the limits of the Corporation, though the distance travelled would be considerable. The list of immovable properties leased or granted by the Military authorities indicating their location is herein enclosed for favour of perusal, and this will give an idea of the iteneration involved in the discharge of my duties. Besides the inspections of the above, I shall have to meet the Government Pleader, Civil Station, now and then to explain and discuss matters with him in person where-ever legal opinion is called for, whose office is situated in Dharmaraja Koil street and residence in Malleswaram. This, I am just mentioning, to give an idea of the amount of touring connected with my work, though for all practical purpose, the post to which I am posted, happens to be a stationery one.

I have also noted ~~in the margin~~ below the properties inspected by me as desired.

2-1-51 } 3-1-51 }	South Parade lands.
13-1-51	Victoria Park Gardens and Bowring Institute grounds.
20-1-51	Triangular bit of land near the Residency.
29-1-51	Laxmi Theatre lands.
10-2-51	Inspection of lands leased to Church of England in Richmond Road.
14-2-51	Met the Government Pleader and explained to him certain points regarding the resumption of lands leased to Church of England.
20-2-51	Inspection of Dr. Kapadia's property.
23-2-51	Joint inspection with the Executive Engineer, Buildings Division and the Chairman City Improvement Trust Board, of lands leased to Church of England.
28-2-51	St. Marks Church. Inspection of lands.

As regards the out of pocket expenses incurred by me in the discharge of my duties, I write to state that I have been incurring an expenditure of Rs. 100/- to 120/- every month towards the maintanance of my car and I cannot say definitely the actual expenses incurred by me on account of the tours performed by me in the discharge of my official duties, as no separate account has been maintained in this behalf, and considering the location of the several immovable properties which are all situated within the limits of the Civil Station area, the expenses of petrol and oil including the wear and tear will easily, on an average, come to Rs. 60 to 80/- per mensum.

As regards b) enquiring whether I have maintained a car and the necessity for it, I write to state that I am maintaining one, and in view of the fact that all the immovable properties leased or granted by the Military authorities prior to retrocession whose titles have now to be regularised, are scattered here and there in the different localities of the Civil Station area,

the necessity for a fast moving conveyance is very keenly felt in this big city of distances.

As regards the general principle that every Government servant is expected to maintain a conveyance suited to his rank without a claim for a special allowance, I beg to submit that the car is not being maintained by me only for attending the office but also for the due discharge of Government duties connected with my office as explained above.

I therefore request that Government may please be moved to sanction the conveyance allowances of Rs.75/- per mensum from the date of my assuming charge of the office.

Yours Faithfully,

P. N. Venkatan. 8/3/51
